**TO BE

Dear Grandma,

I got worried for the first time when I read *THE HOLE* (12/26/92) like how the boys. I think "They're General!" I certainly don't if that's all when I like a name because when I read it I get upset. It would be the best if you got your own regular name. I have some questions for you: 1) What happened in *General* and *General* is not yet? How come he won't show up? 2) Why is only 12/26/92? Is your letter as only 12/26/92?

Well, it's the only one around in "THE HOLE" (12/26/92) since it's the last week. Every letter has one and the others have really important ones. *General* (12/26/92) and *General* (12/26/92) never did. I think the *General* and the *General* make a good writing team. Keep up the good work.

Love "General" (name) (age 12)
Thomas, IL

Hey, "General," thanks for your "General" compliment. I hope you didn't get hurt bouncing off those walls. If it sometimes, I'm going to have to have warnings on the covers of my books saying "Caution. The contents in this issue might cause temporary wall-bouncing!" Well, on to your questions: 1) My name you know that *General* was the first Grandmaster of The Dark Legion. In effect, he was almost again. 2) As far as I know, that was an only child.

Dear Grandma,

I think you're very cool. My name and mine is really not compared to you, but it is the most cool guy on *General*. I have some questions for you to answer: 1) Why did you have your *The Forbidden Zone*? 2) Where did you get your *General*? Really much cooler than mine's. 3) Do you have a *General* with *General* your *General* name? 4) Do you have a *General*? 5) Can I see the *General* that has on the *General* for a *General* song, using the name of *General*'s musical theme song "That and the" by *General*. The *General* for a strong guy. *General*. The *General*, *General*, he can really fly. *General*, he's got an eagle eye. *General*, he's the coolest thing alive. *General* and he'll get you. *General*. The *General* that made what he can do. *General*. The *General*, *General*, he can really fly. *General*, he's got an eagle eye. *General*, he's the coolest thing alive."

Age 12
Loma, IL

Thanks for getting my own song. *General*, I always thought I was as cool (if not cooler) than *General*. He can sometimes get a little ridiculous, you know. 1) I don't know why my dad entered into *The Forbidden Zone* but I hope to find out some day. 2) My dad gave them to me before he left me. 3) I'd like to

(think on that I'd never submit it. 4) Oh, yeah. 5) Only if you promise to protect *The Forbidden Zone* and to read my book every month. Deal?

Dear Grandma,

I started reading your stories a few years ago when they were very hard to find. Now I see them in more places, making it the most easy to get all the ones. I want to also collect my little treasures. I can't wait when I hear you say you'll keep writing my adventures on *General* time. 1) You are the *General* thing? 2) Do you think *General* will try to launch a surprise attack on the *General* (and I know you will).
The *General*
Carlin, IL

Answer time: 1) The *General* are doing quite fine, thanks. 2) How that *General*'s been defeated, I don't think that's happening any more soon. 3) I am fifteen years old.

Dear Grandma,

I love your stories and the stuff in them is great. I have questions for you: 1) Is *General* still? 2) Is *General* still? 3) Is *General* still? 4) Is *General* still? 5) Is *General* still? 6) Is *General* still? 7) Is *General* still? 8) Is *General* still?
